

THE DREAM OF SAILING AROUND THE WORLD

IN CROSSING AND CRUISING STAGES

STAGE 4 PANAMA – MARQUESAS ISLANDS

SAN CARLOS – ISLA HIVA OA

15 MAR-30 APRIL
(2024)

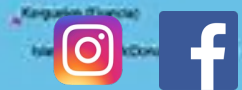

CROSSING (4000 NM)

STAGE 4

FIRST LANDFALL IN PORT OF
ATUONA (Isla Hiva Oa)

NAVIGATION NOTE:
Maximum diesel reserve due to possible calm conditions and bow wind (ITCZ). Watch out for strong currents, winds and poor visibility approaching Galapagos. It is recommended to go to the south of Galapagos. Then SE trades until Marquesas.

Next stop at Taiohae port on Nuku Hiva island (capital of the Marquesas Islands)
